Up to 2448 ft³

FORAGE BOX RELIABLE FOR YEARS.

Built rugged to withstand the test of time.

JBS Forage Boxes feature heavy-duty construction and quality sandblasting, with primer and paint that lasts.

These boxes also have manual swing doors in multiple configurations. Designed, engineered, and built to the same exact standards as our spreaders, JBS Forage Boxes offer the most flexibility and features to take on even the most challenging jobs. JBS Forage Boxes unload quickly due to the ½ inch low friction flooring.
